

COMPREHENSIVE REPORT OF DEPARTMENT OF MATHEMATICS

Session 2024-25

The Department of Mathematics had a remarkable year, marked by academic excellence, innovative seminars, and extracurricular achievements. The department organized several seminars, including a seminar on "Differential Equations" by Pratikshya Pardarshita Swain (+3 3rd yr) on 21.09.2024, a seminar on "Group Theory" by Lipsita Mohanty (+3 3rd yr) on 28.12.2024, a seminar on "Fibonacci Sequence" by Shreya Choudhury (+3 3rd yr) on 28.12.2024, and an Annual Seminar on "Number Theory" by Dr. Harish Chandra Sahu, HOD of B.Sc. ITM Saraswati Science College, Cuttack, on 11.02.2025. The deliberations at these seminars were highly appreciated, sparking meaningful discussions and insights among the participants.

In addition to academic pursuits, the department organized a Fresher's Party on

27.09.2024 which provided a platform for students to interact and bond with their peers. Our students excelled in various competitions, with notable achievements including Saswat Mohan Jena, our +3 1st year student, winning the 1st Prize in High Jump and participating in the Republic Day State Parade, BBSR showcasing his exceptional athletic prowess and patriotic spirit.

Other notable achievements include Lipsita Mohanty (+3 3rd yr) securing the Third Prize in the Debate Competition, showcasing her excellent communication skills, and Pratikshya Pardarshita swain (+3 3rd yr) winning the first Prize in the Song Competition, highlighting her exceptional musical talents.

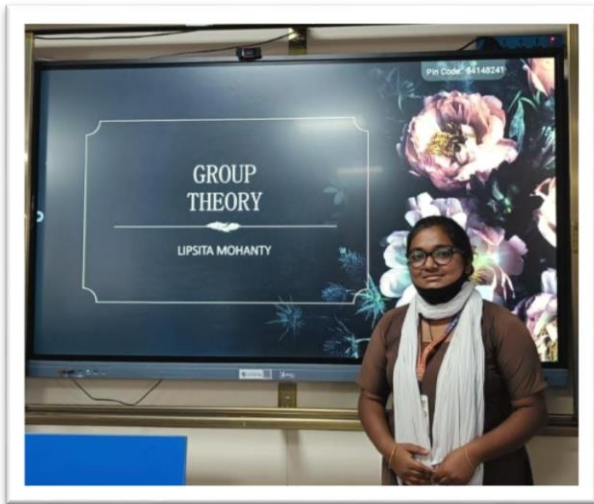

The department is led by Dr. D. N. Dash, HOD, and Miss S. Senapaty, Lecturer. We are proud of our students' accomplishments and look forward to another year of academic excellence and innovation.
